

Message :

Dear Readers,

Greetings for Joyous 2015 !

Welcome to this issue of e-litera Vista. I feel elated to notice holistic development of the learners through their sincere involvement in scholastic as well as co-scholastic part, result of Term/Semester I has been 100% with special mention of board classes.

Congratulations to the achievers of the competitions, held during term I. Special compliments to Ms. Asmita Chachan for receiving 10 CGPA in class X Board (2013-14)

I do expect that we all will honestly support the cleanliness drive by keeping our surrounding neat and clean. A heartfelt gratitude to Bharat Vikas Parishad, for the support in organising Blood Donation camp, CISF STPS wing in joining hands with us in rally for 'Swachh Bharat Abhiyan'. On behalf of STDAV family I also extend gratitude to the Chairperson Sh. M K Agrawal and LMC members, RD & the Manager for their kind concern towards Suratgarh Thermal DAV. My special thanks to all for making the educational tour to Thermal Plant a success & learning experience for our children.

Wish every stakeholder best wishes for Term II success. May each day of the year add glory.

D. Rawat, Principal, Suratgarh Thermal DAV Public School

Fancy Dress Competition

School organized a "Fancy Dress Competition" on 23 Aug, 2014, Classes NUR to II was given the festive theme Janmashthami and III to V "Patriotic Personalities". The stage witnessed little "Krishna's & Radha's" very beautifully dressed and uttered their dialogues. Similarly students tried and put high efforts in representing themselves as patriotic personalities delivered the dialogues with full confidence and flow the memorable presentations were of Shaheed Bhagat Singh, Chandrashekar Azad, Jhansi Ki Rani, Ram Prasad Bismil etc.

The stage was conducted by Mrs. Sushma Dixit and Mrs. Suman Yadav. The programme was quite appealing. Honourable Principal sir complimented the winners and all participants for their preparation and active participation.

PLANTATION ACTIVITY . . .

On 30th August, Suratgarh Thermal DAV family celebrated the tree plantation day. Classes from VI to X participated in this green mission with full zeal and enthusiasm. A total of 101 medicinal and ornamental saplings were planted. The Hon'ble Chairman of ST DAV Mr. M. K. Agrawal Sir, was invited as the chief guest of the day. He inaugurated the programme by planting a sapling of 'Bottle Palm'. Students planted various varieties of plants like Ashoka, Arjun, Gular, Jamun, Neem and Bottle Palm. They also took oath to save trees and plant more and more trees. The programme concluded with an inspirational speech delivered by Principal Sir.

Asmita's Interview :

"SUCCESS COMES TO THOSE WHO WILL AND DARE."

This citation was again proved true by Asmita Chachan [class 10th, 2013-2014] in class 10th assessment. Here is an excerpt of the interview which was taken on Congratulations ! Asmita, you have attained 10 CGPA in class 10th assessment and of course, it is my privilege to interview a scholar like you.

Please tell us about your first reaction when you came to know about such a great feat.

Asmita: I became quite ambivalent. I was happy but a little bit disheartened too because my friends hadn't score 10 CGPA. Of course, that was a proud moment for my parents, relatives, siblings and teachers too.

Whom do you give the credit for this great achievement?

Asmita: To all, my parents, teachers and friends always used to motivate and help me in order to achieve this goal. My father, teachers and friends always helped me in solving my queries. My mother helped me in building up a healthy body by providing me nutritious food and a balanced diet. That was our combined effort and dedication which yielded good results.

What are your future planning?

Asmita: Just to work harder than before in order to fulfill my aim of becoming a C.A. but before that is to score above 95% in 12th class assessment.

Currently, in which school you are studying and what do you miss about DAV?

Asmita: I'm studying in Nosegay Public School, Sriganaganagar. I miss every moment that I had spent in DAV especially, the interpersonal relationship that was built up between teachers and students and friends.

What message you would like to convey?

Asmita: Friends, be regular at your studies. Try to become hardworking and increase your potential. Remember, never calculate the height of the mountain before climbing it and when you reach the top, you will realize how low it was.

Thank you, Asmita. I on the behalf of STDAV Litera Vista team thank you for sparing time to share the details with us. Also, we pray to God for your bright future and in every sphere of life, we wish you a good luck.

Interviewer : Shivani (Class 9th)

SWACCHA BHARAT NIRMAL BHARAT ABHIYAN

At the call of Hon'ble Prime Minister, the complete nation observed 2nd of October as a beginning of the cleanliness drive. Our school also initiated this movement at the school as well as the township level starting from 30th of September to the 2nd of October. On the first day, the event was undertaken at the school level. The students cleaned their respective classrooms and the school corridor. The next day, students started by cleaning the school grounds and also covered the school surroundings i.e., the roads around it. Lastly, the drive was completed on the third day with the organization of an awareness program in the form of a rally. All the school teachers and the students participated and they proceeded from the school ground to different areas in the colony. The students presented different street plays and songs to make the citizens aware regarding cleanliness, motivating part of it was the involvement of CISF wing R K Singh Dy. Commandant delivered a speech & appreciated the role of ST DAV. Hon'ble Principal Sir flagged off the rally, finally thanked all for being a conscious part of the rally.

VISIT OF THERMAL POWER PLANT [SSTPS]...

The day of 14th November became a very wonderful day when we stepped into the most efficient thermal power plant of Rajasthan. We left our school sharp at 10:00 am. Firstly, we visited to UNIT#1 where Mr. Jain explained the whole overview of the plant. Then we visited the conference hall where Mr. Nadheria explained us about various mathematical units. We came to know that the plant receive about 9-11 racks full of coal and one bogie contain about 3500 Metric tonnes of coal, electricity is generated on the principle on Faraday s' law of Electromagnetic Induction.

Then we reached the chemical laboratory where we understood about various equipments which are used for testing coal and water like turgidity meter, bomb calorie meter etc. Then we visited the DM Water Plant where we knew about dematerializing of water and about the equipments which are used for this process. We also knew that alum is used here for treatment of water. After that, we visited the CHP i.e, coal handling plant, and had details about the handling of coal. It was a live learning experience to witness the functioning of sophisticated machines and the process of power generation. This will ever remain in our memory. We are highly thankful to the school & the STPS Thermal for making our day.

TEACHER'S DAY...

On every 5th September, Teacher's Day is observed as a tribute to great personality Dr. S. Radhakrishnan and so was observed in the premises of Suratgarh Thermal DAV Public School. Students played the assigned role; they all had justified and proved as teacher. Teachers also observed the students' managing the classes and duties assigned to them, it was truly managed very well. Every face was smiling. In the evening students were asked to report at 2:00 pm at Erector Hostel-I as Honorable Prime Minister Shri Narendra Modi Ji was to address students all over India. The most rewarding part was the late afternoon hours when we all teachers and students had viewed PM's live interaction session from Manekshaw stadium, New Delhi. It was a sheer delight to hear him. His witty answers to the questions asked by students left a lasting impression on the audience. He reflected his broad vision to make India clean, green and a better place to live, perform & enhance progress.

Poster Making: Energy conservation

Our school organised 'poster making competition' on 29 September 2014 conducted by Bureau of Energy Efficiency CBEE, Government of India on the topics (i) Global Warming is Global Warning (ii) Make it right change your light (iii) Develop energy saving culture (iv) Light more homes for brighter future. In this competition there were 2 groups. First group was of class IV to VI and 2nd was of class VII to X. All the students participated in this competition and made many beautiful posters conveying messages in the school hall. Beautiful pics of students were also clicked.

On 10 November, 2014 the result of this competition was declared. Angela Singhal student of class VI was selected for the state level competition which was held on 15 November, 2014 in Jaipur. Our Principal Sir appreciated her and gave her blessing for the next level.

Bharat Ko Jano . . .

In the series of competitions Bharat Ko Jano a zonal quiz competition was organized in S.T.D.A.V. Public School on 6 Nov. This quiz is a test of students' knowledge, awareness and aptitude towards the different aspects of our own Bharatvarsh. This quiz is organized by Bharat Vikas Parishad every year to enhance the general awareness, historical, cultural, geographical and scientific attitude about their own country India. Around 200 students participated in the 1st level of quiz. Different sets of question papers were provided to students to test their knowledge. All the students enthusiastically participated in this competition with full zeal. Sanchi-Class-IX and Shivani-Class-IX were declared winners of Senior Group and Rishab-Class-VII and Devansh-Class-VIII were declared winners of Junior Group. Results were really motivating. We expect a cent percent participation of students in future.

Independence Day Celebration

In India, every year we celebrate a special occasion, Independence Day on 15th of August. This year on 15th August 2014, SSTPS Township celebrated the day at the stadium. Many outstanding programmes were held like dance, song, parade etc. Our school had participated very enthusiastically to entertain the residents by performing stellar art of dancing, singing, patriotic songs, parade and share the information of history of 15th August to whole colony. Many guests arrived on the occasion. Our National flag was hoisted by the Chief Engineer. Our township CISF members had participated very excitedly. They showed many interesting stunts and also helped our school in parade. Also our Engineers of Thermal Power Plant were awarded for their hard work by Chief Engineer. Our Prime Minister Narendra Modi had given speech from Red Fort to whole country. This was the best 15th August celebrated in our country.

Bhartiya Sanskriti Gyan Pariksha

Bhartiya Sanskriti Gyan Pariksha was organised on 10 Oct- 2014. Mrs. Kamla Sharma and Mrs. Karuna Gupta were the school organizers of this competition. This competition is organised every year. It is very tough competition. It increases our general knowledge history. It links children with their precious culture. This competition also inculcate moral values and enhance life skills. Students from classes 6th to 10th participated in this competition. Their participation shows their love towards their country as our country is an example of multi culture and religion and this competition helps in exploring more about our country.

REPORT OF AMRITSAR VISIT ...

A team of 3 teachers from Kinder Garten section visited DAV Public School Amritsar on two day visit, 13-14 May, 2014.

It had been a true learning experience for the teachers as shared; it was felt that 'Teaching is really Touching lives of the learners'. Some of the unique observations need mention. It was noticed that each children is dealt with proper care and affectionate touch. The weekly designed syllabus corresponds to the age, surrounding and requirement designed by the group of teachers. Morning Assembly is a live learning spot where prayer and the syllabus get revised. Each class gets presentation opportunity thrice a year.

True colour of Kinder Garten is very well represented through different coloured shirts worn by students of Nursery, LKG and UKG makes easier to demark children and their classes.

Class set-up and strategy gives children more learning opportunity as each student is represented by an object of his/her initial, attendance taken by the students in attendance chart help them to read and spell names. Class notice boards are quite presentable with class updates and students' creation, multimedia room, yoga, dance, arts, computer and storytelling session all adds to the learners' impressionable mind.

A full stress free environment is provided by following 'Exam-Free System' up-to Class III. Assessment is made on the basis of review sheets followed by remarks. As a motivation students are also awarded with stars on their uniform.

This trip has provided a real learning experience, few can be implemented and tried for STDAV, Kinder Garten wing. STDAV family is overwhelmed by the hospitality, affection and warmth exhibited by DAV Amritsar and extends heart-felt gratitude and a heartfelt thanks to Principal D. Rawat sir for providing this opportunity.
